- **Efficient Audits:** Conduct and complete your entire audit seamlessly within MSAT.
- **Secure Access:** Ensure data integrity and confidentiality with secure, role-based access.
- **Cloud Based Solution:** Ideal for companies with multiple sites, providing centralized management.

Key Modules Features

Documents Management

- **Streamlined Workflows:** Automates document review, approval, & release for increased efficiency.
- **Comprehensive Version Control:** Archives previous document versions for easy retrieval.

Risk Management

- **Enhanced Compliance:** Based on the ISO 31000 Framework to strengthen compliance through thorough risk identification, assessment, implementation & monitoring.
- **Actionable Insights:** Defines clear steps for effective risk mitigation.
- **Seamless Integration:** Integrates seamlessly with other modules to meet ISO 27001 and ISO 9001 standards.
- **Extensive Risk Library:** Accesses a built-in library of risks for simplified risk management.

Records Management

- **Hierarchical Structure:** Controls applied at higher levels cascade down to sub-folders and files for efficient management.
- **Efficient Record Storage:** Facilitates easy storage, retrieval, and disposition of records post-retention.

Problem Management

- **Systematic Resolution:** Uses the structured Eight Discipline (8D) approach for effective problem identification, analysis, and resolution.
- **Root Cause Analysis:** Conducts thorough root cause analysis to pinpoint and address underlying issues.
- **Corrective Actions:** Reviews and verifies corrective actions to ensure they resolve issues and prevent recurrence.

Support

MSAT is designed for effortless self-management, supported by a dedicated team available online or by phone to assist you every step of the way.

For those who prefer a completely hands-off approach while ensuring compliance, we offer the optional MSAT Managed Compliance Service. This comprehensive service provides support from seasoned ISO compliance professionals who manage all ISO compliance-related activities on your behalf, including initial assessments, ongoing monitoring, internal audits, surveillance audits, and management reviews. With MSAT Managed Compliance Service, your compliance journey is smooth and stress-free.

About Tofrum
